

ALLERGEN STATEMENT

The FDA (Food and Drug Administration) regards allergens as a serious Food Safety concern. This letter is to inform you of these types of allergens that are present in our manufacturing processes. Our manufacturing plants maintain a complete HACCP program including personnel training as it relates to allergens in the facilities.

All Super Bakery products CONTAIN or are MANUFACTURED in facilities that use WHEAT, MILK, EGGS, & SOY.

No products currently manufactured for Super Bakery contain PEANUTS or TREE NUTS in their FORMULATIONS.

Three of our manufacturing facilities do produce other (non-Super Bakery) products that contain tree nuts and/or peanuts/peanut derivatives.

These facilities have in place an allergen control program, which includes wet washing; complete sanitizing of all manufacturing lines and a protein validation process to ensure product safety. All three manufacturing facilities are third party audited and GFSI (Global Food Safety Initiative) certified.

The following Super Bakery items are produced in these facilities:

- Cupcakes - Code Numbers 9478, 9479, 9488 & 9489
- Super Cookies – Code Number 6085
- Mini Donut - Code Number 7787

(Voluntary Statement: MANUFACTURED ON SHARED EQUIPMENT THAT ALSO PROCESSES PRODUCTS CONTAINING TREE NUTS AND PEANUTS)

Two of our manufacturing facilities do produce other (non-Super Bakery) products that contain tree nuts.

They are peanut free facilities. Walnuts, pecans and almonds are present in the facilities and are restricted to the line that produces these items. These facilities have in place an allergen control program, which includes wet washing; complete sanitizing of all manufacturing lines and a protein validation process to ensure product safety. Both manufacturing facilities are third party audited and GFSI (Global Food Safety Initiative) certified.
