

Dear Parents and Guardians,

The health and safety of our staff and students is our utmost priority. From time-to-time, a student in our school requires extra support through the use of a practice called a “classroom clear”. Today, we implemented this protocol to support the students in your child’s classroom and keep them engaged in learning. Please know that if we have concerns relating to the safety of a child, we will let parents know.

School districts are required to notify parents of a classroom clear.

For more information about classroom clears, [please view an overview document that details this practice.](#)

You may also feel free to contact our building principal with any questions.
