SESSION DESCRIPTIONS

ACT

This session will provide an overview on the ACT and why students should consider taking the exam.

ADVANCED PLACEMENT (AP) COURSES

This session will provide an overview on what AP means and the process for AP Exams.

DES MOINES CENTRAL CAMPUS

Central Campus complements and extends the programs of Central Iowa Schools, offering unique academic and career opportunities that direct, inspire, and motivate a diverse group of students. Learn more about the career/vocation opportunities available at Central Campus for Ankeny High School students.

DMACC: CAREER ADVANTAGE PROGRAM

Learn about the many options students have to enroll in college credit courses through our partnership with DMACC. Students have an opportunity to get a jump start on college and earn free college credit by taking advantage of courses taught at Ankeny and Ankeny Centennial High Schools, by attending the DMACC Ankeny Campus and participating in one of the many Career Academy programs or taking DMACC courses online.

HIGH SCHOOL 101

This session will provide an overview of High School graduation requirements, four-year planning, the registration process, and other resources available to our students. This session is pertinent to all grade levels.

ISL EDUCATION LENDING

ISL Education Lending is a nonprofit organization with a mission to help Iowa students and families obtain the resources necessary to succeed in postsecondary education, from private student loans and scholarships to free planning tools and resources.

LAST DOLLAR SCHOLARSHIP

The Last Dollar Scholarship Program is intended to cover any remaining gap between federal and state grants/scholarships and tuition and qualified fees for diplomas, certificates, and associate degrees in high-demand job areas. This first-of-its-kind financial assistance program offers an affordable pathway into many exciting and growing careers. Iowa employers are hiring graduates with these skills.

NAVIANCE: COLLEGE & CAREER READINESS TOOL

This session provides an overview of Naviance, the college and career readiness tool we use at AHS. Learn how to use this tool to assist your student in planning for high school courses, post-secondary options, and careers.

ORBIS

Orbis is a work-based learning program where students engage in real-world projects in partnership with the workforce. Students will strengthen skills in leadership, problem-solving, and communication while focusing on project management (SCRUM), Design Thinking, project-based learning, and DiSC Profiles.

REGENTS UNIVERSITIES: UNI, U of I, and ISU

Admissions representatives will engage in a panel discussion to give an overview of admissions including the specific modern language requirements, important scholarships available, how to calculate an RAI score, and will answer many other questions.

REGISTERED APPRENTICESHIP PROGRAM

Iowa Workforce Development is a state agency with a vision to create, enable and sustain the most future ready workforce in the nation. Come learn more about Iowa's registered apprenticeship programs available to students pursuing careers in high-demand.

All sessions will be repeated 4 times throughout the evening.
