## **NEW** Super Structures

Students explore forces and motion with simple machines. Find out how pulleys, gears, levers, wheels and axles, and inclined planes are used from the factory to the amusement park by using Machine Masters K'NEX® kits. Students will build Super Structures and learn key science, engineering, and architectural concepts such as force, stress, tension, compression, the design process, suspension technology and cantilever construction. With the K'NEX kits, students will also be building famous bridges from across the world.

Grades 3 - 5

Instructor: Sylvan Learning

## Theater In The Park

Kids will create their own short theatrical production from script to performance! Campers will spend the week both inside and outside inventing their own story, developing characters and creating a script. They will also practice audition techniques. We will then work to make a set, props and costumes. Students will get an introduction to all aspects of theater including stage and use of space, learning how to use their speaking voice, beginning acting techniques and a glimpse into all of the collaboration that goes on behind the scenes of a theatrical production. There will be game playing to introduce concepts and art projects to create sets and props. We will use all of their fun creative ideas to create a show for parents. We will showcase our hard work at the end of the week in a nearby park. Bring your picnic blanket and charcuterie and enjoy a warm summer evening watching our original production. We are planning to hold this performance in a park. Note that the camp may be held at that park on Thursday and Friday of the camp week.

# Registration

---

## **ONLINE**

Register for classes and access up-to-date class information from the comfort of your own computer at [www.ankenyschools.org/community-engagement](http://www.ankenyschools.org/community-engagement).

## **IN PERSON**

Monday through Friday, 8:00 am - 4:30 pm. 1102 N Ankeny Blvd, Ankeny IA 50023, card only. Questions can be directed to the Ankeny Community Engagement Department at 515-965-9604 ext 54636.

Pre-registering helps instructors plan for their classes. All classes have size limits and/or have a minimum requirement for the class to be a “go.” Please help us avoid the disappointment of class cancellations by registering early. Registration closes three business days before the first day of class.

---

## **Confirmation of Registration**

Registration is required for all classes and is on a first-come, first-served basis. If registering close to the start date of a class, call or check the website to confirm that space is still available.

## **Refunds**

Refund requests must be made at least three business days prior to the start of class. Registration will be fully refunded if Ankeny Community Schools cancels the class. There are no refunds or discounts for missed classes.

## **Changes/Cancellations**

Occasionally, class locations may need to change. Please make sure your contact information is current so that we may reach you with any necessary changes/updates.

## **Partial Scholarships**

Grant funding makes it possible for the Ankeny Community Engagement Department to offer partial scholarships to students in need on a limited basis. These partial scholarships are available for our youth and parenting courses. Contact the Ankeny Community Engagement Department at 515-965-9604 ext 54363 for more information.

## **Weather Cancellations**

Community Engagement classes scheduled in or at district facilities are canceled if the Ankeny Community School District cancels school for weather or other emergencies. A message will be posted at [ankenyschools.org](http://ankenyschools.org).

## **Photo Permission**

Occasionally photos may be taken of the participants in classes for future marketing. Participants desiring their names/photograph not to be used for marketing must notify Community Engagement in writing at the time of registration.

## **Hold Harmless**

Instructors and participants understand that this course may expose them to some risk and that individuals need to assess their own personal health/fitness to participate in the courses, and thus, instructor or participants are responsible for any medical expense.
